### Easter Sunday.

Sunday was a bright beautiful day and our people turned out in unusual numbers to attend service in the various churches.

The M. E. Church South, Rev. Ernest Stevens, pastor, was handsomely decorated with flowers and the devotional exercises and sermon were befitting and commemorative.

The floral offerings at the Baptist church were handsome and the sermon, by the popular and universally respected pastor, Rev. F. M. Satterwhite, was good and suited to the memorable anniversary of Christ's resurrection.

The services at St. Paul's Episcopal church, Rev. R. B. Drane, rector, were grand and imposing. The choir, lead by Mrs. H. H. Page, assisted by the Misses Green and others, rendered most delightful music at both morning and evening services. The sermon was incomparably good. The floral adornments were elaborate and most artistically adjusted. The organ, played by Miss Minnie Thompson, with clarinet accompaniment by Prof. Rukert, attracted considerable attention. In the afternoon, the service was rendered most solemn by the baptism of two of our most worthy fellow-citizens. It is a solemn scene when stalwart men stand up for God and His church and openly declare their renunciation of the world with all its pomp and splendor. May they forever abide in the Lord and be kept by the power of His might.

### Steamer Chowan Sold.

The Norfolk Landmark of yesterday has the following information:

"The Nanticoke Steamboat Company, of Baltimore, has purchased the Steamer Chowan, of the Franklin and Edenton Line, John M. Robinson president. The steamer is a side-wheeler, 150 feet in length, 50 feet wide over all, has an iron hull and every convenience of a first-rate passenger and freight boat."

### Scales and Plants.

The town has many visitors this week.

The Edenton fishermen are making better catches this week.

The first box of peas of the season was shipped Friday from New Berne.

Mrs. James Lackland is visiting her mother Mrs. Elizabeth Williams.

Miss Griffith, of Norfolk, is visiting her sister Mrs. W. M. Bond, of our city.

All those who want the office of City Police will please say 'Eye':

Now that the Avoca opening is over the next best is the Washington Centennial celebration at New York.

The "biggest liar in the State," J. N. Robinson Esq., agent for Washington Gazette, called on yesterday.

Ex-Gov. Jarvis and Col. Harry Skinner, of Greenville, went to New York instead of Avoca, as was announced.

Our friend Mr. J. Abner Harrell, of Weldon, was among the number of Carolina visitors to Avoca during the opening.

Gov. Fowle and a number of other distinguished personages passed through Edenton, Tuesday last, en route for Avoca.

Our friends will excuse our delay this week. Absence at Avoca and an increased amount of job work threw us behind.

"Eli got there," so did Eliu A. White, of Perquimans, who is to be Collector for the Eastern District of North Carolina.

The handsome new organ for the M. E. Church South at this place has arrived. Now for new music and new choral inspiration.

FOR DYSPEPSIA and Liver Complaint you have a printed guarantee on every bottle of Shiloh's Vitalizer. It never fails to cure. For sale by Hooper & Co.

Mr. G. A. Jackson, of that old and most reliable Commission House, J. W. Wharton, Philadelphia, was in our midst this week paying his respects to patrons.

The Daily Call, published by Mr. D. H. Browder, is a new paper issued at Raleigh. It is neat, newsy and well edited. May it live long and call regularly at our office.

The children all went to the fishery Monday, under the care of Mr. A. J. Bateman. They had a good time and will never cease thanking Mr. B. for his kind care and attention.

Among the visitors to Edenton this week we note with pleasure Mr. and Mrs. Geo. Collins and daughter Miss Annie, of Hillsboro. They are the guests of Mr. Frank Wood and Lady.

The Steam Yacht Anita, of Philadelphia, Capt. H. S. Austin, arrived here Saturday. She left for Avoca Tuesday carrying a party of ladies and men to attend the opening exercises.

Fire was discovered yesterday morning in the bakery building, Jno. Wozelka's, just in time to save the city from a terrible conflagration. Had it gotten "under way," the whole of "Cheap Side" would have been consumed beyond any possible doubt.

On the way to Avoca, Tuesday, a gentleman remarked in our hearing that he had seen in Edenton one of the finest and best arranged grocery establishments in this State. He said also that it was worth double the cost of his trip to Edenton to visit the Branning M'fg. Co's. mill works. He declared them the finest in the South and said, to give emphasis, that HE HAD TRAVELED and knew whereof he articulated.

### A Good Book.

A new and most valuable book, now on sale by our friend, Mr. R. P. Walton, of Edenton, and entitled "Mothers of Great Men and Women," is a most pleasing production of Laura C. Holloway, author of "The Ladies of the White House," "An Hour with Charlotte Broute," etc., etc. It should be read by all our people especially the mothers of the country for, "All true trophies of the ages Are from mother-love imparted; For the hand that rocks the cradle Is the hand that rules the world."

### In Line Again.

The patrons of the Str. Pohatcong, and Suffolk and Carolina Railway are informed that the Str. Rogers is again running between Murfreesboro and Mt. Rose Landing.

The management of the Company desire to thank those concerned for the past patronage, and indulges the hope of a continuance of the same.

CHAS. H. JONES, JR., Gen'l. Manager S. & C. Ry. Co.

### OPENING EXERCISES AT AVOCA.

Gov. Fowle, Hon. W. D. Pruden and Col. E. B. Creecy speaks. The Ball, &c.

On Tuesday at 10 A. M., we, that is, Mr. A. H. Mitchell, our proprietor and Business Manager, boarded the Str. Roberts for Avoca and, near the hour of 11, were landed on the Bertie side of the great old Albemarle. Our party was greeted most cordially by Dr. Capehart.

We strolled over the lovely grounds and whiled the time away till the hour for dinner was announced.

At 4:30 a procession was formed in front of the hotel and proceeded to the Grand Stand where the exercises appointed for the occasion were opened with prayer by Rev. R. B. Drane. This was followed by an address of welcome in which the speaker, Hon. W. D. Pruden, was happy and, as always, himself perfectly and to the infinite pleasure of his hearers. Gov. D. G. Fowle followed Mr. Pruden in a speech worthy the man and this said, our readers can well imagine its perfect excellence. At its conclusion the little daughter of Dr. Capehart, little "C. C.," presented the Governor with a handsome bouquet of flowers.

Col. R. B. Creecy being introduced read a beautiful poem which we will publish next week.

### BALL.

The ball was opened about 10 P. M., Wednesday night with a waltz by little "C. C." and Master W. R. Capehart. A large number participated, of whom the following were noted by us with special interest:

### Fish News by Postal Cards.

MANTEO, April 20.—The fishermen of this (Dare) county were damaged in the loss of nets and boats as much as \$20,000 by the late storm. Some had all their nets entirely blown away and those that found their were torn and broken to pieces so they were of no service.

ROCKY HOCK, April 22.—The fish are coming; the waters are beginning to look cheerful. Quite an increase in the catch to day.

COLERAINE, April 22.—The fishermen along Chowan river have improved in the catch and are yet hopeful of a successful season. A large supply of herrings will be a God-send to our people, as their hogs have been dying with colera at a rapid rate.

AVOCA, April 25.—Fishing has greatly improved, at this point, in the last few days. The catch of shad is good. C.
